Monday, 05 December 2005

Verizon is preparing their website in anticipation of the new Treo 700w release. By viewing a test site, you can see the upcoming promotion of the Treo 700w.

Verizon Reveals Upcoming Treo 700w On Site

Verizon is preparing their website in anticipation of the new Treo 700w release. By viewing a test site, you can see the upcoming promotion of the Treo 700w.

To view this, just visit <http://testman.verizonwireless.com> and then:

- Select Personal, then Phones and click Go
- Enter any zip code in US
- In the left hand column, you'll see the upcoming Treo 700w coming soon

Thanks to msmobiles for the find.
