

Palm Offers More Than 25 Accessories For Treo 700w

Thursday, 05 January 2006

Users can customize their Treo 700w experience with bluetooth headsets, Wi-Fi card, a GPS Solution and more. Palm Offers More Than 25 Accessories for New Treo 700w Smartphone

Users Can Customize Treo 700w Experience with Bluetooth Headset, Wi-Fi Card, GPS Solution and Many More

Palm, Inc. has introduced more than 25 accessories for the brand new Palm(R) Treo(TM) 700w smartphone from Verizon Wireless, including a Bluetooth(R) headset, Wi-Fi card, GPS solution and a variety of professional cases.

"People want to tailor their Treo smartphones to fit their personalities and business needs," said Jim Schwabe, general manager of accessories for Palm. "The growing demand for Palm accessories can be largely attributed to our customers' demand for customization."
