Treo 700w Update Temporarily Unavailable

April 26, 2006

Palm has removed the Treo 700w 1.10 update from their site. The Treo 700w 1.10 update was just released last week and featured direct push email along with a host of security updates.

Treo 700w Update Temporarily Unavailable

April 26, 2006

Palm has removed the Treo 700w 1.10 update from their site.

No reason has been provided as to why they have removed the update. The 700w update page simply states, We anticipate that the Treo 700w updater will be available at a later date. If you have already installed the updater, please disregard this message".
